Welcome to Shelf

A quiet place to read your PDFs
the way you read paper books.

Tap the right edge (or press the
right arrow) to turn the page.

Reading

Tap the left or right side of the page, swipe, or use the arrow keys.

On a wide screen you get two pages side by side, like an open book.

Drag the slider at the bottom to jump anywhere.

Marking up

Pen (P): underline, circle, write in the margins.

Highlighter (H): swipe over a line.

Eraser (E): rub out any mark.

Undo with Ctrl+Z.

Sticky notes

Pick the sticky note (S) and tap anywhere on the page.

Drag the top strip to move it.
Double-click the strip to fold it.

Folded corners

Press the bookmark button (B) to fold the corner of a page.

Open Notes (N) to see every folded corner, note and mark in this book.

Your notes

Everything is saved in this browser.

Use Export notes on the shelf to back them up or move them to another device.

Happy reading.
